

Inspired Days Start in Inspired Closets!

1. Floor Mounted for Structural Integrity

- Our systems will never pull off the wall or fall down, giving you peace of mind even in your Child's room.

2. Fixed & Adjustable Shelving, Giving You Both Structural Integrity and Flexibility

- Our systems remain square and plumb – shelves and rods stay in place
- Drawers and doors operate smoothly.

3. A truly Custom System

- Our systems are manufactured specifically to fit your space, unlike systems from large box stores.

4. 32mm Euro System

- Shelves and rods can be easily adjusted up or down, and new components can always be added at a later date.

5. "Top Shelf" Materials

- Melamine – ¾" Industrial Grade Melamine, the highest grade available. We offer a wide variety of colors and wood grain finishes to match any décor. Wood veneers and high pressure laminates are also available.
- Hardware – We use the highest quality hardware for your system, from connecting shelves to the panels, shelf supports, rods, drawer glides and hinges.

6. Lifetime Guarantee

- We offer a lifetime guarantee against defects in materials and workmanship.

7. Our Designers

- Our designers are trained in the efficient utilization of space. Using our proprietary software, our designers produce beautiful custom designs that will capture your vision.

8. Our Installers

- Our installers are our employees and are fully bonded and insured.

9. Our Customer Service Representatives

- Service is King!
Our customer service representatives are available to help facilitate your job and service requests

10. Our Company Credibility

- With 30 yrs in the industry, Inspired Closets is without question the closet company of choice in the greater Sacramento area. Visit our website, or better yet, visit our showroom and see the difference for yourself.

" The bitterness of poor quality remains long after the sweetness of low price is forgotten"
